
MEMORIES - 1980
KOSCIUSZKO JUNIOR HIGH SCHOOL

To richard,
God made the mountains
God made the Lakes
God made Richard
we all make mistakes.
(only kidding. Only kidding that I'm kidding)
Chris Ceresky

The Class of 1983 would like to express our sympathy concerning the untimely loss of a fellow classmate, Todd Morton, who was taken from us during the spring of our Freshman year. Each of us will carry a special memory of Todd during the years to come.

KOSCIUSZKO JUNIOR HIGH

"Time In A Bottle"
Jim Croce

If I could save time in a bottle
The first thing that I'd like to do
Is to save every day
'Til Eternity passes away
Just to spend them with you.

If I could make days last forever
If words could make wishes come true
I'd save every day like a treasure and then,
Again, I would spend them with you.

CHORUS:

But there never seems to be enough time
To do the things you want to do
Once you find them
I've looked around enough to know
That you're the one I want to go
Through time with.

If I had a box just for wishes
And dreams that had never come true
The box would be empty
Except for the memory
Of how they were answered by you.

DEDICATION

We, the Kosciuszko Class of 1983, would like to dedicate this yearbook to an outstanding member of our faculty, Mr. Donald Makarewicz. Guiding us through our three years at Kosciuszko, he has helped us to develop ourselves emotionally and academically. Mr. Makarewicz has been more than just a guidance counselor -- he has been a friend. With helpful advice, he has contributed to the confidence of many students in this school. He has lifted our spirits and made our three years more enjoyable with his good humor. By dedicating this yearbook as well as our memories of Kosciuszko to him, we feel that our future has been entrusted to someone who cares.
